2024 Case Management Grant

Name

2024 Case Management Grant

Description

VA is announcing the availability of approximately \$15 million per year for up to two years, pending availability of funding and grantee performance, in new grants under the case management component of the VA Homeless Providers GPD program. Applications for grants are being accepted from eligible entities to support case management services. These time-limited case management services will improve retention of housing by Veterans who are at risk of becoming homeless or who were previously homeless and are transitioning to permanent housing from programs such as VA's Homeless Providers Grant and Per Diem (GPD) program or VA's Health Care for Homeless Veterans (HCHV) Contracted Residential Services (CRS) program. VA anticipates that the grants will be for a period of two years, starting in FY 2024 on October 1, 2023, and ending on September 30, 2025. VA anticipates awarding approximately 100 grants for a total of approximately 150 full-time equivalent case manager positions nationwide. Awards may be up to \$300,000 total costs per full-time equivalent (FTE) case manager position, with funding requests broken out by year 1 and year 2.

Instructions

The Case Management Notice of Funding Opportunity (NOFO) is the authoritative source for information regarding this grant round. As a reminder:

- The minimum educational requirement for case managers funded by GPD case management grants is a bachelor's degree. Four years of case management and/or housing navigation experience may be substituted for the educational requirement.
- An FTE position is expected to manage an average monthly caseload of at least 16 Veterans in permanent housing and/or in housing navigation.
- All grantees must participate in HMIS and in their local coordinated entry system.
- To facilitate geographic dispersion, each applicant, as defined by EIN, may submit no more than one application per VA medical facility catchment area. Additionally, VA will fund up to two case management grants per VA medical facility catchment area, in priority and rank order.

Open Date

Please note that the open date for applications is listed in **Eastern Time (ET)**.
